Additional Property Information

Architecture Setting: Town

Acreage: *No Data*

Site Description:

February 2023: 921 Waltham Street is located on a long, narrow rectangular lot to the west of/behind 925 and 929 Waltham Street. Accessed from a long concrete driveway to the north of 925 Waltham Street, the dwelling is set back from the road with two single car concrete driveways on the left and right side of the front yard. The dwelling is surrounded by a grassy yard with minimal decorative vegetation present. There are no additional resources visible.

Surveyor Assessment:

February 2023: This building was constructed in 2005 and it is in good condition. Sea-level-rise, recurrent flooding, and severe weather threaten the resource due to its proximity to the Elizabeth River and location in coastal Virginia. As a result of its construction date, this resource would not contribute to the potential Campostella Heights Historic District.

Surveyor Recommendation: Recommended Not Eligible
